

Welcome to our IAOP Global Human Capital Chapter

Pam Berklich, SVP
KellyOCG

The Global Human Capital Chapter

Primary Purpose

The Global Human Capital Chapter is committed to exchanging thought leadership, expertise and latest findings that will enable world-class delivery of HR services, including shared services environments, outsourcing arrangements, and the selection/optimization of technology within the HR arena.

Areas of Focus

- Discuss Strategic Global Human Capital Outsourcing Practices and Challenges.
- Attracting, Mobilizing, Retaining and Developing HR Professionals with Defined Outsourcing Capabilities on a Global Basis.
- Discussing Best Practices around People, Process and Technology that Enable Efficient/Effective Outsourcing and Drive Measurable Value for End Users.
- Sharing Workforce and Talent Planning Methods.
- Benchmark Global Human Capital Service Delivery to Understand Competitiveness and to Support the Development of Future Service Delivery Strategies.

Panel Discussion
