Jagdish Dalal

**Managing Director, Thought Leadership, IAOP
President, JDalal Associates, LLC**

Jag is recognized world-wide as an expert and a thought leader in the field of outsourcing. His experience as a business executive who outsourced Xerox IT to EDS, as a Partner (PwC) who took over HR and F&A activities from Nortel Networks has established milestones in the industry.

He is a noted speaker and has published more than 50 articles on outsourcing strategy and information technology management. Jag's series of lectures on BPO have been recognized as "pushing the envelope" in strategic thinking about outsourcing, while providing a practical framework for businesses- users and providers alike.

Jag has received numerous awards and recognition for his contributions in the field of Information technology management and outsourcing.
