

Buy-Side Corporate Membership

What are the advantages of IAOP Membership?

Members have the unique and unparalleled opportunity to collaborate with like-minded professionals, learn and share best practices and current trends, and be positioned as thought-leaders to ultimately improve business outcomes through outsourcing, sourcing, global business services and shared services.

➔ Member Benefits:

DEDICATED ACCOUNT EXECUTIVE!

01 GLOBAL CHAPTERS

Corporate Members are the brain and brawn of IAOP's Global Chapter Network. They establish and lead IAOP Chapters. As far as subject matter experts go, they are the real MVPs.

02 THE OUTSOURCING WORLD SUMMIT®

Corporate Membership includes seats to OWS! The Summit is the place to meet other buyers in both structured and casual environments, network with potential partners and get educated on best practices, current trends and what the future holds.

03 COMPANY-WIDE PROFESSIONAL MEMBERSHIPS

Buy-Side Corporate Member organizations receive complimentary Professional Memberships - company-wide! This gives full access to IAOP's Knowledge Center, the OPBOK® as well as unlimited attendance at IAOP chapter meetings and more.

04 THOUGHT-LEADERSHIP

Corporate Members are positioned as thought-leaders. They contribute content to IAOP's Knowledge Center, lead chapters, and are granted editorial opportunities in IAOP's Official Magazine, PULSE.

05 CORPORATE MEMBER DISCOUNTS

Corporate Members are eligible for substantial discounts on everything from conferences and events to training & certification, including the highly regarded COP Program - the only training of its kind!

“Because of IAOP Buy-Side Corporate Membership, not only do we have better working relationships with our partners, we're savvier. We've been able to put the knowledge and tools we've gained to good use on a daily basis.”
